**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a public school teacher. As I am sure you know, educators work way beyond the hours they are paid and are seldom among the affluent. As technology and internet access becomes more and more integral to teaching and reaching students and parents, affordable options are vital. So many of us have pieced our quality of life together by searching out affordable options. We are important, we matter and we need broadband competition!

Sincerely,

Zehra Otus
